— GROWER AND SHIPPER OF —

STRAWBERRY, CABBAGE, and TOMATO PLANTS

CERTIFIED BY TENNESSEE DEPT. OF AGRICULTURE

DAYTON, TENNESSEE

DEAR CUSTOMER:

With pleasure we present you with our 12th Annual Price List. During our eleven years of shipping plants we have made every effort possible to see that our customers have the best in plants. They must be properly dug, cleaned, graded and packed. The success of these efforts is attested by repeat orders we receive each season. Our best advertising is done by our customers.

In order to have a profitable crop of strawberries, you must have good plants to start with. Our quality must not be excelled.

We are conscientious and sincere in all of our dealings, and have built our business on these principles. We really appreciate your business, and hope to serve you in such a way that you can recommend us to your neighbor.

GUARANTEE: We guarantee our plants true to name as they stand in the field. We use the greatest care in handling plants to see that they do not get mixed. We are not responsible after they leave our control and in no way are we responsible for the crop.

Shipping dates are from October 1st to April 15th.
